#### 4. SIFY Cloud:

- Brief:

Sify Technologies Limited (formerly Satyam Info way) is an Indian information and communications technology company providing end to end ICT solutions including telecom services, data center services, cloud & managed services, transformation integration services and application integration services.

Website name: <https://business.sify.com/register>

- Sign-up:

The image shows a web browser window displaying the 'Sign-up with Sify' page. On the left, there is a background image of hands typing on a laptop keyboard with various digital icons floating above it. The main content area is titled 'Sign-up with Sify' and includes a link for users who already have an account. Below the title, there are two tabs: '1. Company Info' (selected) and '2. User Info'. The form fields are organized into two columns. The left column contains 'Company Name\*' (filled with 'Avantika University'), 'Address\*' (filled with '12 Amarpura'), 'City' (filled with 'UJJAIN'), and 'GSTIN'. The right column contains 'Industry Type\*' (filled with 'Education'), 'Pincode\*' (filled with '456001'), and 'State\*' (filled with 'MADHYA PRADESH'). On the far right, there is a vertical green sidebar with three icons: an envelope, a telephone, and a speech bubble. At the bottom right, there are 'Back' and 'Next' buttons, and a circular chat icon.

- Services:

Centralize your IT infrastructure, operations, storage and management and enjoy the tremendous scale and a lower cost of ownership.
